What's Unique about Lake Rudolph? You don't have to own a RV or tent to stay at Lake Rudolph! The accommodations we provide to families are unique in the camping industry. Our Rental RVs are 38 to 44 Ft. long travel trailers permanently placed on sites. They sleep 4 adults & 4 children and include kitchen utensils and cookware, refrigerator, sink, stove, microwave, coffeemaker, toaster, air conditioning, and bathroom with shower. Our custom-designed **KING SIZE Rental RVs** feature a **KING SIZE Bed**, a queen size bed, and an additional 1/2 bath. Our custom-designed **SUPER KING Rental RVs** feature an additional full shower, an expanded dining area and upgraded appliances including a smooth top stove. Our Cabins also sleep 4 adults & 4 children and include the same amenities as the Rental RVs. Guests must supply own bedroom and bathroom linens, and pillows for all cabins and Rental RVs.

Improvements in 2010: A new main office building is under construction and is scheduled to open at the end of summer. Upgrades include 12 new Super King Rental RVs. These new rentals are expanded from our King RVs and include a larger dining area that now seats six people, a full shower in the Master Bedroom, and upgraded appliances including a smooth top stove.
